Why choose PranagyMed™?

PranagyMed is focused on establishing long-term relationships through dedicated support and unmatched client service, without exceptions.

Our services are always to the benefit of both the employer and the candidate, easing the hiring process and ensuring the exact role is fulfilled for the needs of the facility.

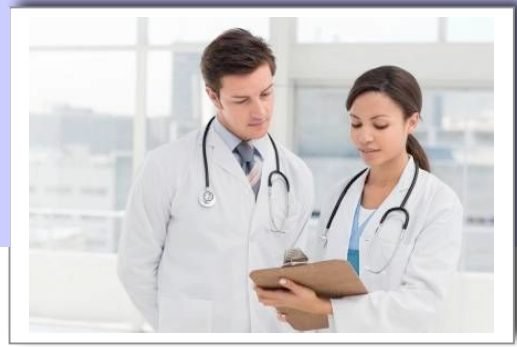

Professionals are given the advantage of career development service designed to achieve their desired lifestyle and goals through our ongoing placement services.

We match the candidate with the employer's specific needs and desired background, seeking out only the best professionals for the position.

PranagyMed's customized approach to staffing and recruiting gives both the employer and the professional time and cost saving hiring advantages. In fact, we are able to match our client's standard preferred rate so costs are never an obstacle to use our services.

*Healthcare employers receive
personalized staffing &
recruiting solutions that work
to positively impact ROI and
the quality of the patient care.*

PranagyMed™ Streamlines all of Your Hiring and Business Processes.

As a healthcare employer, you expect the best...

Health care facilities encompass the largest employment acquisition in the U.S. PranagyMed understands the vast professional marketplace and brings you physicians, nurses and allied health professionals utilizing a broad spectrum of recruitment resources to find the best talent in the industry.

Quick, easy placement with pre-screened applicants streamlines your hiring processes. Our outsourced solution provides your hiring professionals with the fastest placement of talent where there are staffing shortages and placement needs, including temporary, contract to hire, permanent or executive recruitment.

PranagyMed is positioned to become a nationwide leader in health care recruiting strategies that reduce costs and keep the flow of talent necessary to improve health care.

Our strategic resource partnerships give employers a long-term recruiting advantage, saving valuable HR staff time by bringing in reliable, qualified talent on demand.

Business services that optimize your revenue cycle...

PranagyMed's billing, coding and transcription services aim to improve the profitability of your practice or medical facility through our unlimited outsourcing resources at the lowest costs in the industry.

Faster return on claims, HIPAA compliant coding and billing procedures and flat rate pricing allows you to concentrate on patient care and less on business, immediately reducing costs and achieving a stronger bottom line.

Our personalized service and dedicated account managers will help you reach your financial goals by eliminating up to 35% of your business administrative costs in the first year of utilizing PranagyMed's highest quality business services.

Some of the benefits of PranagyMed business services:

- Improved billing & coding production
- Pricing that cuts costs up to 35%
- You pay for only the work performed
- No more employee or overtime costs
- Reduced claim denials (below 5%)
- Fastest return on claims

*With PranagyMed's client-focused
services, you achieve the financial
outcomes you desire for your
practice or medical facility.*
